1. I am the passenger

Ami F C E

And I ride and I ride.

I ride through the city back streets

I see the stars come out of the sky.

Yeah in the bright and hollow skies

You know it looks so good tonight.

R₁:

2. I am the passenger

I say under glass.

I look through my window so bright

I see the stars come out tonight

I see the bright and hollow sky

Over the cities ripping sky

And everything looks good tonight.

3. Give in to the power.

We'll be the passengers.

We'll ride through the city tonight.

We'll see the cities ripped back sides.

We'll see the bright and hollow sky.

We'll see the stars that shine so bright.

The stars made for us tonight.

4. Oh the passenger,

Oh how you ride,

Oh the passenger.

He rides and he rides.

He looks through his window

And what does he see.

He sees the bright and hollow sky,

He sees the stars come out tonight,

He sees the cities ripped back sides,

He sees the winding ocean drive

And everything was made for you and me.

All of it was made for you and me

And it just belongs to you and me.

So lets take a ride and see what's mine.

5. Are you the passenger?

He sees things from under glass,

He looks through his window side,

He sees the things he knows are his,

He sees the bright and hollow sky,

he sees the city sleeping at night,

He sees the stars are out tonight

And all of it is yours and mine

And all of it is yours and mine.

So lets all ride and ride and ride and ride.
