1. Spooky, scary skeletons send shivers down your spine

**F            E            Am C            F            Am            E**

Shrieking skulls will shock your soul, seal your doom tonight

Spooky, scary skeletons speak with such a screech

You'll shake and shudder in surprise when you hear these zombies shriek

**R:** We're so sorry skeletons, you're so misunderstood

You only want to socialize (But I don't think we should)

2. 'Cause spooky, scary skeletons shout startling, shrilly screams

They'll sneak from their sarcophagus and just won't leave you be

**R:** Spirits, supernatural are shy, what's all the fuss?

But bags of bones seem so unsafe, it's semi-serious!

3. Spooky, scary skeletons are silly all the same

They'll smile and scrabble slowly by and drive you so insane!

Sticks and stones will break your bones, they seldom let you snooze

Spooky, scary skeletons will wake you with a boo!
