2. Though I'm passed one hundred thousand miles, I'm feeling very still

And I think my spaceship knows which way to go,

tell my wife I love her very much, she knows.

Ground control to Major Tom:

Your circuit's dead, there's something wrong.

Can you hear me Major Tom? Can you hear me Major Tom?

Can you hear me Major Tom? Can you...

Here am I floating in my tin can, far above the moon.

Planet Earth is blue and there's nothing I can do.
